Bob Barker leaves \$100,000.00 of his estate to Horse Plus Humane Society

Hohenwald, TN – Horse Plus Humane Society is deeply touched to announce that the late, renowned The Price Is Right host, Bob Barker, generously bequeathed \$100,000.00 of his estate to our cause. Out of 40 animal and military charities benefiting from the Bob Barker's estate, Horse Plus Humane Society is incredibly grateful to be included in the estate. Bob Barker, a devoted advocate for animals, passed away on August 26, 2023, yet his legacy continues to shine. His enduring message, "Have your pets spayed or neutered!" echoed at the end of each show, speaks volumes of his commitment.

"When we learned of Bob Barker's passing last summer our hearts were sad that the world lost such a hero for animals. We were shocked when we received a letter from the estate notifying us that we were in Bob Barker's will." said Tawnee Preisner, CEO of Horse Plus Humane Society. "We plan on using the funds to open a low-cost Spay Neuter Clinic and an education center. This will allow us to uphold Bob Barker's message of advocating for responsible animal ownership and the crucial role of spay-neuter procedures."

Horse Plus Humane Society, situated in rural Tennessee, is an oasis in an area devoid of animal welfare programs. The Spay Neuter clinic, upon opening, will uniquely fill a significant void as the only such facility in the area. With profound gratitude, Horse Plus Humane Society eagerly anticipates the opportunity to curb the overpopulation of dogs and cats through Spaying and Neutering, contributing positively to the community in rural Tennessee.
